Hi Valois,

I understand the appeal period for these permit decisions is 30 days. Could you please confirm the date by which petitions to appeal are due and the form that such petitions should take?

Sincerely,
Julie

Hello All,

I am going to send emails to everyone on the Dewey-Burdock contact list this evening, but wanted to contact you all first.

EPA has issued final UIC Permits for the Dewey-Burdock uranium recovery project. You can find EPA's response to public comments document and other permit-related documents on the EPA Regional UIC website at:

<https://www.epa.gov/uic/epa-dewey-burdock-class-iii-and-class-v-injection-well-final-area-permits>

Please contact me if I can be of any assistance while you review these documents. I am working from home, so this email address is the best way to contact me.
